

## **Eternal Life Matters!**

God will give eternal life to any person who chooses to become a member of His family.

### ***We have to choose this?***

Yes. God won't force anyone, but He will adopt you into His family if you choose to love Him.

### ***How do I love Him?***

God says that we love Him by giving His son Jesus Christ first place in our life and following His example of love for others.

### ***What do you mean give Him first place?***

God made this very simple: Believe Jesus is the Son of God come to earth, accept what He did for you, turn from your sins, and live for Him wholeheartedly every day as He directs you.

### ***What did Jesus do for me?***

He paid the death penalty required for your sins, and rose from the dead to open the door for you to be adopted into God's family and share eternal life with Him.

### ***Turn from what sins? What do you mean by sin?***

God says all behaviors that are contrary to His character or fall short of His standards are sins. Our Creator makes the rules.

### ***What do you mean live for Him every day?***

God will guide you. Follow Him! Read what He says in the Bible about how to live and ask Him to help you do what He says.

### ***What if I don't understand what the Bible says?***

God's family will support you. Connect with His other children who are trying to believe and live as He says in the Bible.

## **Our Creator Matters Most!**

Choose to believe Him! Choose to know and love Him! Choose to live for Him! Choose eternal life! You matter to Him!
